Deadline for Official/Unofficial/Personal notices - Wednesday, 9 a.m.

OFFICIAL

FLAGS AT HALF STAFF: The flags of the United States are flying at half staff at the Kennedy Space Center in remembrance of former President Ronald Wilson Reagan. The flag will remain at half staff for thirty days in compliance with 36 U.S.C. 175. (TA-G)

EXCESS GOVERNMENT PROPERTY: All excess government property must be turned in to the NASA Property Disposal Officer at the Reutilization, Recycling and Marketing facility on Ransom Road. No other location is authorized to retain the government's idle property. This includes expendable items, as well as tagged equipment. For additional information on turn-in of excess property, see KHB 4000.1E, Part 7, "Turn-In of Materials and Equipment." (TA-E1)

NASA/JBOSC OUTBOUND SHIPMENTS: To help ensure that all users of the JBOSC Shipping Department have their requirements met, the following procedure must be adhered to: Shipments processed through the JBOSC Shipping Department are for official government business only. Personal shipments are not authorized. All shipments must be accompanied by a properly completed shipping request document (KSC Form 7-248 or DD-1149). Carrier freight bills without the proper KSC forms will not be accepted. Shipments involving hazardous materials must have a Material Safety Data Sheet (MSDS) or other technical data sheet. Small priority/overnight shipments, including letters, must be received in the JBOSC Shipping Department no later than 2 p.m. or they will be processed on the following workday. Large priority shipments and/or shipments requiring extensive packaging must be received at least 48 hours prior to the required date at destination. Government property tagged items need to be routed through the proper Property Control Office before requesting the shipment and/or, if required, accompanied by a copy of a property custodian's approved KSC Form 1602. If you have any questions or require further information, call the JBOSC Shipping Section at 867-3501 or 867-7998. (TA-E1)

GSA VEHICLE USERS: NASA and Contractor employees are reminded that it is illegal to use GSA vehicles for personal reasons: visits to cafeterias, Credit Unions, Sundry Stores, or to supplement carpools. Use of vehicles owned/leased by the Government is restricted to Official Government business. (TA-E1)

PEDESTRIAN SAFETY: Pedestrians crossing roadways on Kennedy Space Center are reminded to yield the right-of-way to all vehicles when crossing the roadway at a point not within a marked crosswalk. Motorists are reminded to yield the right-of-way to pedestrians crossing the roadway in a marked crosswalk when the pedestrian is on the half of the roadway the vehicle is traveling, or when the pedestrian is approaching so closely as to be in danger. (TA-G)

YEAR-END PROCESSING OF PURCHASE REQUISITIONS (PRs) CONTAINING EXPIRING FUNDS All PRs citing appropriated funds that expire on September 30, 2004, must be processed through NASA's financial system (SAP/R3) in sufficient time to route to the Procurement Office on or before the below dates. This will increase the likelihood of obligation prior to expiration of funds on September 30, 2004. As a result, KSC's CFO and Procurement Officer have jointly established the following cut-off dates for receipt of PRs containing expiring funds: June 30, 2004 for PRs with a total estimate over \$25,000 July 31, 2004 for PRs with a total estimate equal to or less than \$25,000 Make sure the PR Header Text is annotated to reflect "Expiring Funds." If funding status is unknown, the final GG approver will review to determine if funds are expiring and will annotate the PR prior to routing to Procurement. GG will also notify OP periodically of all open, unobligated PR line items that contain expiring funds. Any PRs citing expiring funds that are generated after the applicable cut-off date must be cleared off-line with an approving Contracting Officer prior to entry in SAP. See the job aid at <http://www-op.ksc.nasa.gov/ifmp/JA.htm> for the appropriate approving Contracting Officer for your directorate. Enter the Contracting Officer's name in the PR Header Text and his associated purchasing group (PGrp) in the proper field when creating the PR in SAP. Requisitioners are advised that PRs with non-expiring funds received after the above cut-off dates may be held until after September 30, 2004, to permit priority treatment of those PRs containing expiring funding. Points of Contact: Finance, GG-B-C Debbie Hurlburt, 867-9438 Procurement, OP-AM Sean D. Howe, 867-7358 Your support is needed to make this fiscal year-end as smooth as possible (OP-AM)
